Introduction

A fantastic and rare opportunity to purchase this spacious semi detached cottage situated on Beach Road in St Brides, enjoying a lovely rural feel but benefitting from close proximity to amenities. Within walking distance there are beautiful countryside walks and the famous Seawall as well as a short drive away from well regarded schools, bus stops, local shops and the M4 motorway.

The property has been lovingly owned by the same family for over 30 years and, in that time, has undergone various upgrades, modernisation and some reconfiguration.

On entering from the front, we are welcomed into the hallway which leads off to a wet room, two spacious lounge areas with log burners, a large utility room, dining room and an impressive kitchen/breakfast room. Upstairs, the landing leads off to four good sized bedrooms (one of which features an en-suite WC) and a four-piece family bathroom.

Outside, the frontage offers plenty of parking and a detached double garage with adjoining wood store and side access to the rear which features beautiful mature, level gardens laid mainly to lawn and patio.

Viewing really is essential to appreciate what this beautiful home has to offer.
