WELCOME TO WADES CROFT

Wades Croft is phase 2 of the Nailey Hall development, offering a stunning collection of highly individual 2 and 3 bedroom single storey dwellings, forming this outstanding new development built by well-regarded and most favoured local developer, Pelham Structures.

Nailey Hall backs onto and enjoys far reaching views over open countryside in the desirable and highly sought-after village of Manuden, ideally placed for access to the nearby market towns of Bishop's Stortford and Saffron Walden as well as major routes and transport links to Cambridge and London.

LOCATION

The well-regarded village of Manuden has a church, popular primary school, inn, garage and includes a thriving sports and community centre. The village is situated approximately two miles from the well-served village of Stansted Mountfitchet and four miles north west of Bishop's Stortford where there is an extensive range of shops, leisure facilities and excellent schools. The mainline station at Bishop's Stortford provides a regular train service to London's Liverpool Street and access to the M11 is approximately 5 miles from the village. The historic market town of Saffron Walden lies approximately 9 miles to the north east and has a comprehensive range of shops.

THE HOMES

The homes at the Nailey Hall Development have been architecturally designed to maximise space and light and all benefit from individual layouts to suit a range of lifestyles.

From open plan kitchen/dining rooms with multiple sets of bi-folding doors to enjoy seamless inside/outside living, to multiple reception rooms that could be used as home offices, libraries or play rooms, your home at Nailey Hall will be uniquely yours.
