A Spacious Three-Bedroom Duplex Apartment Recently Renovated, Sold with No Chain and Off-Road Parking

Guide Price £150,000 - £160,000

A pleasantly spacious and recently renovated three-bedroom duplex apartment, arranged over two floors and benefiting from its own independent entrance, off-road parking and private external storage, situated in the well-established residential area of Fairwater, Pentreban, Cardiff.

Offering generous proportions throughout, this substantial maisonette provides flexible accommodation that will appeal particularly to first-time buyers, professional couples, young families and investors seeking a sizeable property in a well-connected Cardiff location.

Having been recently renovated, the property provides a fresh and modern foundation for its next owner, while the duplex layout creates a practical separation between the living and sleeping accommodation.

Offered for sale with No onward chain, it is particularly well suited to buyers looking for a straightforward purchase without the complications of an onward sale.

From the moment you step inside, the generous proportions are immediately apparent. The accommodation briefly comprises an entrance hall, modern fitted kitchen, substantial lounge/diner, three double bedrooms and a family bathroom, arranged over two floors.

The large lounge/diner provides an excellent central living space, with ample room for both comfortable seating and dining furniture, making it ideal for everyday family life or entertaining.

The separate fitted kitchen provides a practical and modern workspace, while all three bedrooms are genuine double rooms, offering excellent flexibility for families, home working or those requiring additional guest accommodation.

Externally, the property benefits from off-road parking together with a terrace and useful storage unit, providing valuable additional space rarely associated with apartments of this type.

Beechley Drive is positioned within the popular Fairwater and Pentreban area of Cardiff, an established residential location offering a convenient balance between local amenities, green spaces, schools and transport connections.

The surrounding area provides a strong selection of everyday amenities, with local convenience stores, shops, cafés and services available nearby. Fairwater Green provides further local facilities, while the area is also well served by schools catering for a range of ages.

For families, the location is particularly appealing, with primary and secondary schools within the wider Fairwater/Pentreban area, alongside local community facilities, a library and leisure opportunities.

The property also benefits from access to Cardiff's wider amenities, meaning residents can enjoy the convenience of local shopping and services while remaining within easy reach of the city centre's extensive choice of retail, restaurants, bars, entertainment, employment and leisure facilities.

Transport links are another significant advantage of this property.

Regular local bus services operate within the surrounding area, providing connections towards Cardiff city centre and neighbouring districts, making the property well suited to commuters and those who prefer not to rely solely on a car.

For rail users, Fairwater railway station provides an additional transport option, offering rail connections towards Cardiff and the wider South Wales network.

For motorists, the property's position provides convenient access towards Culverhouse Cross, with onward links to the M4 motorway and the wider South Wales road network. This makes the property particularly attractive to those commuting into Cardiff, travelling throughout South Wales or requiring convenient access to the region's major road connections.

Whether commuting into the city, travelling further afield, or simply making use of Cardiff's extensive shopping, employment and leisure facilities, the location offers excellent day-to-day flexibility.

The combination of three genuine double bedrooms and generous living accommodation, coupled with parking and a recent renovation makes this a particularly versatile property.

It is likely to appeal strongly to:

First-time buyers looking for considerably more space than a typical starter apartment.

Professional couples requiring additional bedrooms for home working, guests or future plans.

Young families seeking three bedrooms and convenient access to local schools and amenities.

Buy-to-let investors looking for a sizeable three-bedroom property in an established Cardiff residential area.

Buyers looking for easy access to Cardiff, with bus, rail and road connections all within the wider area.

Lease: Approximately 87 years remaining

Ground Rent: £10 per annum
