Tickhill, Doncaster, DN11 9LE

£220,000

Property Overview

Upon entering through the side porch and entrance hall, you are greeted by a thoughtful layout separating the living spaces from the bedrooms.

To the front of the home, the spacious lounge benefits from a large bow window that floods the room with natural light. The adjacent kitchen offers a functional setup with plenty of storage and counter space, looking out towards the front drive.

To the rear, both bedrooms enjoy quiet views over the private garden. The master bedroom is particularly generous, comfortably accommodating full bedroom furniture suites.

Externally, the front features a neatly manicured lawn enclosed by low hedging, alongside a side driveway secured by wrought-iron gates. The standout feature is the expansive rear garden, framed by tall conifers and mature trees, creating a secluded retreat.

Early viewing is highly recommended to appreciate the location, plot, and potential on offer.
