The property has clearly been well cared for and provides comfortable, well-proportioned accommodation all on one level. Further benefits include UPVC double glazing and gas-fired central heating.

At the heart of the home is an impressive lounge / dining room, a particularly generous reception space with ample room for both living and dining furniture. A large front facing window brings plenty of natural light into the room, whilst a feature fireplace creates a traditional focal point.

The breakfast kitchen is fitted with an extensive range of units and work surfaces, incorporating a useful breakfast bar area and space for appliances. A particularly practical addition is the walk-in pantry / store, providing valuable additional storage and also housing the gas central heating boiler. Windows and external access further add to the practicality of the room.

An inner hallway serves the sleeping accommodation, comprising two bedrooms, including a good sized principal double bedroom, together with a second bedroom which would equally lend itself to use as a guest room or home office. The accommodation is completed by a bathroom fitted with a three piece suite.

The bungalow occupies a particularly appealing elevated plot, approached from the front via steps with a handrail and established planted borders.

Once at bungalow level, the amount of outside space becomes much more apparent. Gardens extend around the property and have been predominantly designed with ease of maintenance in mind, featuring extensive paved terraces, gravelled areas and established shrubs and planting. There are several areas suitable for outdoor seating and entertaining, together with a useful timber garden store.

To the rear is a substantial gravelled area with gated access onto a rear access road. The layout of the plot may also provide potential to create private off-road parking within the property's own grounds, subject to any necessary permissions and consents.

Location

The property is conveniently positioned within easy reach of Tunstall Park, providing attractive green space and recreational facilities close by. Everyday amenities are also readily accessible, with a nearby retail park offering a good selection of shops and eateries, including Asda, Matalan, Starbucks and McDonald's. Combining a detached bungalow, generous outside space, elevated cul-de-sac setting and no upward chain, this is an excellent opportunity for buyers looking for single-storey living with the scope to personalise and improve a home to suit their own requirements.
