The Agent that goes the Extra Mile

A semi-detached house situated in the sought-after coastal village of Manorbier, enjoying a convenient central position close to local village amenities and approximately 0.7 miles from the beautiful sandy beach.

The property is ideally located for exploring the stunning Pembrokeshire coastline and surrounding countryside, with a wealth of scenic walks and attractions close by. Manorbier is renowned for its picturesque beach, where golden sands are sheltered by dramatic cliffs and overlooked by the impressive 12th-century Norman Manorbier Castle, creating a truly idyllic coastal setting.

The well-proportioned and versatile accommodation is arranged over two floors. The ground floor briefly comprises an entrance hallway, lounge with wood-burner, kitchen, utility area, wet room and a ground-floor bedroom/reception room.

An extension, completed in 2023 including being re-wired has significantly enhanced the living space, creating a generous open-plan area featuring a striking lantern skylight. This impressive space provides an excellent setting for both everyday family living and entertaining, with an abundance of natural light creating a bright and welcoming atmosphere.

The property further benefits from double glazing and gas central heating, ensuring comfort and energy efficiency throughout the year.

On the first floor, there are three further double bedrooms, two of which enjoy distant sea views, together with a family bathroom. The layout provides excellent flexibility for family living, guest accommodation or working from home.

Externally, the property is surrounded by lawned gardens to the front, side and rear, with mature shrubs and trees. Paved pathway leads from the front gate around to the rear, where a paved patio and garden provide an ideal setting for outdoor dining, entertaining or simply enjoying the surrounding tranquillity. To the front of the property, there is ample off-road parking.
