Situated in the coastal village of Herbrandston, 3 St. Margarets Way is a three-bedroom semi-detached home offering an opportunity for buyers seeking a property they can update and make their own. With a practical layout, an enclosed rear garden and views across the surrounding countryside, the property combines village living with the potential to create a home tailored to individual tastes.

The accommodation is entered through a glazed porch, leading into the hallway with stairs rising to the first floor. The lounge/dining room provides space for both seating and dining and features a fireplace. To the rear, the kitchen is fitted with a range of wall and base units, worktop space and an integrated oven and hob. A sun room, accessed from the kitchen, offers an additional seating area overlooking the rear garden, with a door providing access outside. A ground-floor WC completes the accommodation on this level.

The first floor comprises three bedrooms and a shower room fitted with a shower enclosure, wash hand basin and WC. Two of the bedrooms enjoy views across the rear garden and towards the surrounding countryside, while the third bedroom offers flexibility for use as a bedroom or home office. The property also benefits from double glazing and electric heating but does not have hot water as there is no boiler. The property is subject to a local restrictive covenant. Prospective purchasers should seek advice from their solicitor regarding the terms of the covenant and any eligibility.

Externally, the enclosed rear garden is a particular feature, with a paved patio area providing access to a lean-to storage shed. A pathway leads through the garden, which is predominantly laid to lawn, with established planting, vegetable beds and a detached storage shed. Herbrandston is a coastal village with access to Sandy Haven Beach and the Pembrokeshire Coast Path. The nearby town of Milford Haven provides a wider range of shops, schools, leisure facilities and amenities.
