Reserve your new home at Post House this April 2026 and receive a £1,000 contribution towards your purchase costs.

Set behind secure gates in a peaceful location, Post House is an exclusive collection of contemporary apartments designed for modern living. These homes offer spacious layouts with large format windows that fill the interiors with natural light, creating bright and welcoming living spaces.

Each apartment features an open plan living, dining and kitchen area that leads directly onto a private balcony or terrace, providing the perfect space for relaxing or entertaining. Kitchens come with integrated appliances, while the main bedroom includes a fitted wardrobe for convenient storage. A separate utility cupboard with washer dryer adds practicality while keeping living areas clutter free.

Post House is a car free development, creating a calm residential environment while still being close to local amenities. Brentford High Street is just a 7 minute walk away, offering a growing mix of cafés, restaurants and independent shops following recent

regeneration.

Residents can also enjoy nearby green spaces and riverside walks, including Syon Park and Kew Bridge. Transport connections are excellent with direct bus routes to Chiswick, Hammersmith and Westfield White City. Brentford and Syon Lane rail stations are also nearby, providing fast links into central London.

Homes are available through the Shared Ownership scheme, with shares starting from £98,750. Over 40% of homes are already reserved.

Example 3 Bedroom Apartment 25% Share

Full market value = £590,000

25% share price = £147,500

Estimated monthly mortgage = £779.00

Estimated monthly rent = £1014.06

Estimated monthly service charge = £307.23

Estimated total monthly cost = £2,100.30

Shared Ownership allows you to buy a share of a home, usually between 25% and 75%, and pay rent on the remaining share, making home ownership more accessible.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92 plus) A		
(81-91) B		
(69-80) C		
(55-68) D		
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs
