ESTATE AGENTS

Llwynffynnon Bancyfelin

Carmarthen, SA33 5NR

Located in the village of Bancyfelin, Carmarthenshire, this detached property offers considerable potential for refurbishment and modernisation. The accommodation currently provides three reception rooms, four bedrooms and two bathrooms, offering a generous layout that could be adapted to suit a variety of requirements. The property is in need of complete refurbishment and will require significant upgrading throughout. This provides an opportunity for a purchaser to undertake works to their own specification and create a substantial family home or, subject to any necessary consents and refurbishment costs, a potential investment property.

Located with convenient access to the A40, the property is well placed for travelling towards Carmarthen and west towards the Pembrokeshire coastline. Bancyfelin provides a village setting while benefiting from the road links connecting the property with surrounding towns and communities.

A property requiring works throughout, but offering excellent scope for improvement and the opportunity to create a sizeable home in a convenient Carmarthenshire location.

Offers in the region of £219,995

Llwynffynnon Bancyfelin

Carmarthen, SA33 5NR

The property stands in an attractive plot amongst open countryside, approximately one mile from the A40 trunk road. A driveway with double-pillared and gated access leads onto a hard-standing area, which in turn provides access to the detached garage.

Entrance Porch

31'9" x 6'10" (9.69m x 2.09m)

The entrance porch has uPVC double-glazed windows to three sides, together with a further door providing access to the front garden. The porch is set beneath a polycarbonate roof and has a part-stained-glass door leading through to the breakfast room.

Breakfast Room

14'6" x 8'2" (4.44m x 2.50m)

The breakfast room has a terrazzo tiled floor, single-panel radiator with thermostatic control and a door leading through to the lounge/diner, together with an open access through to the kitchen.

Kitchen

6'6" x 10'9" (2.00m x 3.30m)

Fitted with a range of light oak-effect base and eye-level units having matching door and drawer fronts, together with a marble-effect work surface over the base units incorporating a stainless steel sink. There are part-tiled walls with patterned

inserts, uPVC double-glazed windows to the side and rear and a tiled floor. The Worcester oil-fired boiler provides the central heating and domestic hot water.

Lounge/Diner

26'2" x 13'10" (8.00m x 4.23m)

A spacious lounge/diner with two uPVC double-glazed windows to the rear and three uPVC double-glazed windows to the front, one of which incorporates a stained-glass motif. A feature pointed stone fireplace provides a focal point, although the fireplace has been blocked up. The staircase rises to the first floor and there are two double-panel radiators together with useful understairs storage.

First Floor Landing

The first floor has two landing areas, providing access to the bedrooms and bathroom.

Bedroom One

15'7" x 10'3" (4.76m x 3.13m)

Two uPVC double-glazed windows to the front, one forming a door-style opening leading onto the timber-decked balcony with galvanised balustrading. There are two single-panel radiators with thermostatic control and access to the ensuite shower room.

Ensuite Shower Room

Fitted with a pedestal wash hand basin, low-level WC and shower cubicle, with tiled walls and ceiling.

Bedroom Two

10'9" x 10'6" (3.30m x 3.22m)

uPVC double-glazed window to the front and a single-panel radiator with thermostatic control.

Bedroom Three

8'11" x 7'9" (2.72m x 2.37m)

uPVC double-glazed window to the front, single-panel radiator and a built-in airing cupboard housing the pre-lagged hot water cylinder with immersion heater.

Bathroom

Fitted with a bath, close-coupled WC and pedestal wash hand basin, together with a uPVC double-glazed window to the side.

Bedroom Four

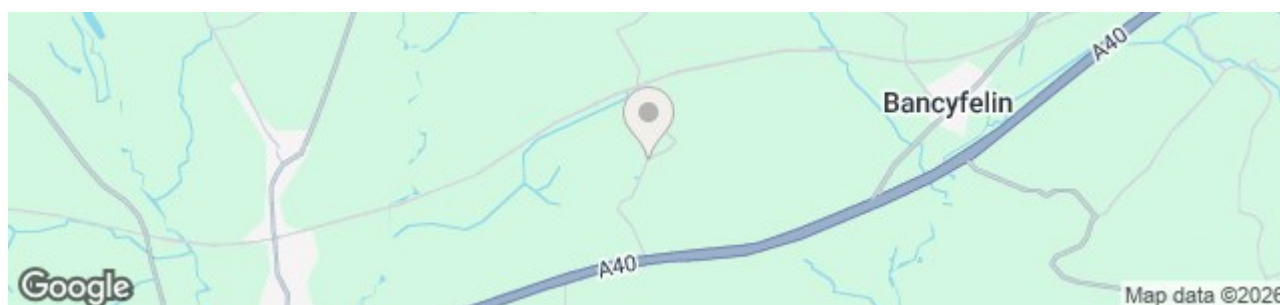

9'11" x 6'7" (3.04m x 2.02m)

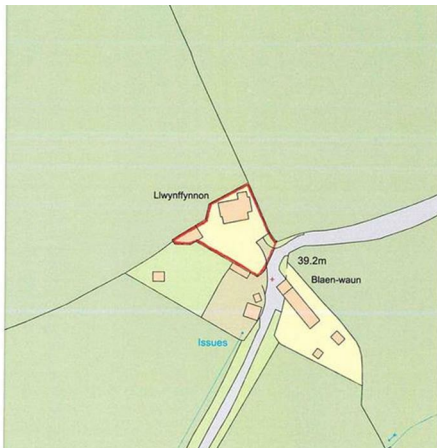

uPVC double-glazed windows to the rear and side, together with two single-panel radiators with thermostatic control.

Detached Garage

33'1" x 17'0" x 16'6" maximum (10.09m x 5.19m x 5.05m maximum)

Detached masonry-built garage with an up-and-over door to the front, three casement windows to the side and a further small casement window to the rear. The garage benefits from an inspection pit, together with power and lighting.

Floor Plan

Type: House - Detached
Tenure: Freehold
Council Tax Band: E

Services: Mains electricity, private water and private drainage. The private water supply is fitted with a filtration system.

Appliances: Any appliances/boilers mentioned in these details have not been tested

These particulars, whilst believed to be accurate are set out as a general outline only for guidance and do not constitute any part of an offer or contract. Intending purchasers should not rely on them as statements of representation of fact, but must satisfy themselves by inspection or otherwise as to their accuracy. No person in this firms employment has the authority to make or give any representation or warranty in respect of the property.
